

LINKING LAND USE & TRANSPORTATION

Linkage by Project Selection: Framing the Topic and Issues

Kirk R. Fjelstul
May 23, 2006

Develop Recommendations

- Value of criteria
- Process for establishing
- Details of the criteria
- Use of the Criteria

Activities

- Survey other areas
- Compare to Atlanta
- Technical analysis
- Forum
- Understand Envision 6

Recommended Framework for Developing Project Selection Criteria

- **Setting Goals**
- **Criteria Development**
- **Scoring Methods**
- **Judging Success**

Forum Objectives

- What benefit can land use-related criteria provide?
- How can criteria most effectively be designed?
